LG X POWER BLACK

Product URL <http://store.mystream.com/lg-ls755-x-power-black-sprint>

Short Description: With a name like "Power," you'd expect some impressive stats regarding battery life. And with the LG X Power, you won't be disappointed: say hello to the 4,100 mAh non-removable battery, providing up to two days of battery power. The LG X Power also offers USB On-the-Go Support, allowing your phone to share power and connect directly to other devices and hardware. And with Quick Charge™ technology, you refuel faster, meaning you wait less and play more. The best part? Buy it now for Mother's Day, and enjoy an accessory bundle for free.

Accessory discount applied at checkout. Promotion available Online Only.
