## HTC BOLT GUNMETAL GREY

Product URL <http://store.mystream.com/htc-bolt-2pyb2-silver-sprint-new-2>

Short Description: Say hello to Sprint's fastest smartphone ever. With a metal unibody and Corning® Gorilla® Glass, take comfort in knowing that it's water, splash, and dust resistant – in addition to what's on the inside being adaptable. The HTC Bolt stays ready to perform in top condition thanks to Boost+, which cleans up junk files, maximizes battery life, and dynamically allocates resources like phone memory as required. The best part? Buy it now for Mother's Day, and enjoy an accessory bundle for free. Promotion available Online Only.

Accessory discount applied at checkout.
